

«Application of the method of transformation of solutions in the asymptotic theory of differential and integral equations», candidate of physical and mathematical sciences, specialization - 01.01.02.

Research supervisor: Doctor of Physical and Mathematical sciences, Professor Bayzakov Asan Bayzakovich

The thesis was accepted on January 29, 2019.

The thesis was successfully defended on March 3, 2019.

The thesis was approved by the Higher Attestation Commission of the Kyrgyz Republic.
